Our Mission
We provide a holistic, Christ-centred Early Years Program shaped by teacher-guided explorative, play-based learning experiences, to establish a rich foundation for school.

Our Vision
Seeking the Kingdom of God in Education
Playgroup is held in our Early Years purpose built facility on the MECS grounds in the Gumtree Room.

Playgroup is designed to cater for Preschool children aged 2 and above. While most of the playgroup children go on to attend MECS, the group is not closed to members of the local community.

At playgroup new friendships are developed which create a positive social environment.

Invitations into the Prep classrooms to attend their story and song time are regularly extended to the playgroup children, who find these sessions lots of fun.

Busy Bees playgroup is held during school terms. From: 9 am -11 am Monday or Wednesday Cost: $40 per Term per family in 2013

The playgroup curriculum is Biblically based and in line with the Educational Creed of Mount Evelyn Christian School. Playgroup activities include outdoor play, art, stories and music.

Each week children will be encouraged to discover and explore the play environment alongside their parents/caregivers, to provide children opportunities for further development of interests and skills.

Group music and movement sessions will also be offered for parents/caregivers and children to participate in together, modelling and fostering strong foundations for children's learning, interests and enjoyment.
