Private Instrumental Music Lessons at Mees 2015
Private Instrumental Music Lessons at MECS

At MECS we are blessed to be able to offer students private instrumental lessons at the school, within school hours. Private lessons are a great way to develop individual skills and allow students to develop their musical gifts. This booklet should provide you with all the information you need in relation to enrolling your child for private instrumental lessons. If you have any questions, please feel free to contact the Instrumental Music Coordinator, via the school office.

Why get involved in instrumental music?
Here’s what the students say:

“You get to feel good at something.”

“You get to play at recitals and special events.”

“Sometimes you play music games in lessons to help you learn something better.”

“It helps you get into the band at church.”

“It helps with other subjects, because it includes reading and writing and maths.”

“It helps you relax at home.”

“The teachers are nice.”

**Instrumental Tuition Fees**

- 30 min Private lesson: $32 per lesson
- 45 min Private lesson: $48 per lesson
- 30 min Paired lesson (2 students): $20 per student/per lesson
- 45 min Paired lesson: $30 per student/per lesson

- 45 min Group lesson (3 or more students): $22 per student/per lesson
- 60 min Private lesson: $64 per lesson

Students involved in school ensembles will be charged a small contribution - currently $10 per term.

(See Ensembles and other commitments for further information).

**Lesson Times**

Lessons are held during school hours (except by special arrangement with the teacher), and are generally 30 mins in duration. A 45 minute option is available for more advanced students. Lessons may be on a rotating timetable, so that students are not missing the same lesson every week, but most teachers and students prefer a set time.

**Private, Paired or Group Lessons**

Private lessons have the advantage of increased individual attention for the student. It is expected that students who develop a serious interest in their instrument during group lessons will move to private lessons for this reason.

Paired or group lessons are offered at the teacher’s discretion, where compatible students have enrolled.

Group lessons have the benefit of students learning from, and being encouraged by peers. They are also less expensive for parents. Two friends who wish to take up singing or violin, for example, will find this a great way to start.
Materials

Students will be required to purchase their own lesson book, to ensure that copyright laws are not infringed. The Instrumental Teacher will advise students of which book(s) they need to purchase.

Ensembles and other Commitments

Instrumental students are expected to be involved in an appropriate school ensemble, when the school is able to provide for it. Choirs and bands are an excellent way to develop musicianship and performance skills.

There are a number of performance opportunities each year. These include evening and lunchtime recitals, and other school and community functions by invitation.

Practice expectations will depend on the instrument, age and level. Please talk to the teacher personally.

Absences and School Excursions

If an instrumental student is absent or away on an excursion, the missed lessons will be held in credit if you have provided the teacher with adequate notice. The Instrumental Teachers must be notified in advance about any excursions or camps. In the case of sudden illness, the instrumental office must be rung by 8.30 am on the day of the lesson on 03 9738 6067, otherwise the lesson fee may be forfeited.

If your teacher is absent, he or she will contact either you or the school, and the lesson will either be made up or credited to you.
Finishing Lessons

If a student is terminating instrumental lessons, written notification must be made to the Music Coordinator via a termination form. This must be submitted 4 weeks in advance or payment for four lessons will apply. Termination forms are available for collection and submission at the office.

Communicating with your teacher

Instrumental teachers can be contacted with any concerns. The teacher will provide their phone number for this purpose, or you can leave a message at the instrumental office on 03 9738 6067 for the teacher to call you back. Many teachers use an exercise book to jot down lesson notes. This is also used for communication between home and school, and may be the easiest form of communication for you.

Instrument Hire

MECS currently only has violins for hire. If you would like to hire one please indicate this on the enrolment form on the back page of this booklet. An amount of approximately $20 – $30 per term will be added to your tuition account.

Other Instruments

If you are looking for tuition in an instrument other than the ones offered, the Instrumental Music Coordinator may be able to put you in touch with teachers outside school.
