**AIMS**

This course is a basic introduction to the theatre industry. Stage-crafts such as lighting, audio and staging are explored through workshop-based projects, online training and a structured work environment. All skills are delivered via integration within the workplace or through simulated tasks throughout the course.

Areas assisted by GOTAFE resources are:
- Occupational Health & Safety in Theatre
- The basic design process
- Construction process of both props and set
- Basic audio and Lighting skills
- Ushering, polite interaction with venue patrons and senior technicians
- An ability to manage own time and work ethics
- A basic understanding of financial transaction

The Certificate III extends on these skills and knowledge.
