This course runs on a Wednesday from:
1:00 pm – 4:00 pm

Where?
Healesville Living and Learning Centre.
1 Badger Creek Road, Healesville 3777.

Duration
200 hours delivered over 4 school terms, and including some full day excursions.
The information provided in this brochure is subject to change.

How Much?
Cost - $250 - Materials Fee
$100 - Student Services and Amenities
$350 - Total Cost

Recognition of Prior Learning
Students who feel that they have previous hairdressing education or work skills may apply to the VET Coordinator to have their current competencies assessed.

Complaints Policy
Students who feel that they have been unfairly treated as part of their enrolment or enrolment procedure may apply to the VET Coordinator for an application to process their claim under the school / training provider's complaints policies and procedures.

Disclaimer:
All effort has been made to ensure that the information contained in this brochure is correct at the time of publication. However the information in this brochure is subject to change.
Aims

This course aims to provide participants with the knowledge and skills to achieve competencies that will enhance their employment prospects in the hairdressing or hairdressing related industries.

It also aims to enable participants to gain a recognized credential and make a more informed choice of vocation and career paths.

Certificate III in Hairdressing

The course will consist of eight units packaged together as credit toward completion of a first year sequence of study.

A first year of this course is usually delivered over three days per week.

The students will gain skills in colouring, hair design and hairdressing science. This course can lead on to further training to complete the qualification.
