Dear Parents

Re: 2013 Year 7 Mathematics text book -

The Maths department have spent a great deal of time making the decision regarding the most appropriate textbook for Year 7 Mathematics next year. We have now decided that textbook for the Year 7 Maths course will be *Pearson's Mathematics 7 Student Book, 1st edition*.

The school is also investigating the possible move to digital formats for Maths texts in the future, which will provide flexible and varied delivery.

This text can be purchased at Lilydale Books, other school text suppliers or online. The book will cost approximately $60.

Please don’t hesitate to contact me if you need further information about this matter.

Yours truly

Andrew Schmidt
Curriculum Coordinator
