

Primary (Prep & JP) Student ICT Use Agreement

Parents: Please read through this with your child and ask them to tick each box when you have read and explained it to them.

I understand that the use of the computer facilities and network is a privilege and not a right. I should use them in the proper ways. I understand that the teachers will supervise and monitor the computer and Internet use.

- I will only use the computers or Internet when my teacher says I can and an adult is present.
- I will do the school work that my teacher asked me to do.
- I will only access websites I am allowed to.
- I will tell a teacher straight away if I find something on the Internet that makes me feel uncomfortable or I know I should not be looking at.
- I will not give my password to anyone.
- I will not use anyone else's password or username or allow them to logon to a computer for me.
- I will tell a teacher if I think that another student knows my password.
- I will check with my teacher before putting any information about myself or others on the Internet.
- I will respect others and not use the computers or Internet to say mean or rude things about them.
- I will check with my teacher before printing anything.
- I will not take any computer software from the school or try to load any from home or friends.
- I will look after and care for our computer equipment.
