Dear Parents,

On Wednesday 9 March for Middle Primary and Friday 11 March for Senior Primary, we have our last swimming lesson for the year.

Each student is required to bring along some **clothing to swim in as a part of their survival training**.

These should be **light clothing such as pyjamas, T shirts, track pants** etc. Jeans and woollen jumpers are **not** advised as they will be too heavy in the water.

Please remind your child to bring along these clothes as well as their normal swimming gear for this final swimming lesson.

Blessings,

Jason Brown

*Primary Sports Coordinator*
