Dear Year 6 Parents,

The end of the year is fast approaching and, before we know it, it will be time for the Year 6 Graduation.

This year, graduation will be on **FRIDAY, DECEMBER 9**. Relevant information will be sent home closer to the date but, for now, we are calling for people who might be interested in helping out on the decorating committee. The students have a meal together with their teachers in the school theatrette, and each year a wonderful group of parents decorate the room for us to add to our celebration.

Toni Bailey has kindly offered to head up the group this year and she would love some others to be involved. This usually involves a few meetings beforehand and then setting up on the night before the graduation.

If you would like to be part of this, please let me know ASAP via email mdykstra@mecs.vic.edu.au and also let me know if you are happy for Toni to have your email address and/or phone number.

Thanks!

Mel Dykstra
