

Scholastic Book Club for the Kindergarten and Primary School

March 17, 2017

Dear Parents,

Scholastic Book Club is back again this year and being offered to our Kindergarten and Primary School.

The Scholastic Book Club provides families and schools with the opportunity to order books from a catalogue with books starting from as low as \$1. At MECS we will receive a catalogue once per term. There is a wonderful range of books, from preschool to secondary, all at affordable prices. Each catalogue features some amazing specials, which are also great to purchase as gifts.

Scholastic Book Club also has a reward program in place. Every order will generate reward dollars which can be used by MECS to purchase books from Scholastic. As we are an incredibly blessed school with an amazing library, this is a wonderful opportunity to use the reward dollars to bless another school who might not have such a privileged library or teaching resources. So not only do you have the opportunity to purchase some reading material for your children, you will also be blessing kids who don't have the same opportunities. We are yet to choose the recipient of these reward dollars.

How to Register

You will have to register first via www.scholastic.com.au/LOOP. During the registration process, locate MECS by using the postcode of 3796; there you will find a list of class names and just add your child to that list. Please ensure you select your child's class and use their full name for easy order identification – those of you who have registered last year will need to update your child's new class for 2017. It will save your child's information for easier ordering next time. You can even download an app for iPhone or Android. Ordering instructions can also be found on the website www.scholastic.com.au/LOOP. The **cut-off date** for orders for this edition is **Wednesday March 22** to ensure delivery before the end of term. Orders will be delivered to MECS and then distributed to your child.

At this stage, it will be a paperless process and payments via credit card on the secure Scholastic LOOP site, meaning no forms to fill out and return. If you have any queries, **Simone Fraser (SPB/MPB/Foundation Bibles)** sanddfrazer@gmail.com or **Tamara Kuzma (MPG/K4 Koalas)** tamara_kuzma@bigpond.com who would be more than happy to provide you with assistance.

We hope you enjoy!

Fiona Haynes
