

## Speech Therapy 2017

January 24, 2017

Lauren Hart from Speaking of Learning will continue to provide speech therapy at MECS in 2017.

Therapy will happen during school hours either on a weekly or on a 5-week block basis each Tuesday/Wednesday. Privately, the cost would be anywhere from \$120 to \$160 per hour (\$60 - \$80 for half hour). We are able to offer speech therapy at a cost of \$50 for a half hour session. We will require a signed commitment to pay from parents and parents would be billed monthly. There will be no reimbursements, even for missed lessons unless there is at least 24 hours notice. Parents are encouraged to bring their child for their session even if they are away from school that day.

We recommend either weekly sessions or a 5-week block, and a home program.

Please fill in the form below if you would like therapy in Term 1, 2017. As spaces are limited, please return your permission slip as soon as possible to ensure a place.

Please email Shirley Gillie at [sgillie@mecs.vic.edu.au](mailto:sgillie@mecs.vic.edu.au) if you have any questions.

Blessings
