

Year 9 – Counselling Intern

Thursday August 31, 2017

Dear Parents of Year 9 Students,

We would like to introduce you to Cassie Eckard, who has joined MECS as a counselling intern. Cassie is completing a Masters in Counselling at Monash University and is also a registered teacher.

Cassie will be available to Year 9 students who request extra support through the year. Cassie will be receiving regular supervision from our Student Welfare Officer, Natasha LeBrocq. We are keen to provide this opportunity to our Year 9 students. We are also aware that young people appreciate a confidential counselling service. Both Natasha and Cassie understand the limits to confidentiality, and in addition will work towards including parents in the counselling process. However, we need to let you know that your child may request that any counselling sessions remain confidential.

If you would not like your child to be part of this service, please send an email to office@mecs.vic.edu.au .

Regards,
Karissa
