

MP and SP AFL/Football Day

Monday September 11, 2017

Dear MP and SP Parents

As part of the MP and SP Physical Education program, next week we will be having an AFL day for both senior primary and middle primary students.

- Senior Primary AFL day will be on **Monday September 18**
- Middle Primary AFL day will be on **Wednesday September 20**.

These AFL days will include 2 football matches. One girls match and one boys match. These are opt in games, so if students are opting in, they are welcome to wear the following:

- Football/soccer boots
- Football jerseys
- Football shorts
- Mouth guards,

or anything else they feel comfortable playing football in.

Students **must** also bring a spare change of clothes and spare shoes for after the game. Students are also welcome to bring along a towel as the showers will be available after the game.

Yours sincerely,

Jason
