

Marvelous Materials Celebration Event
Thursday September 21
3:15-4pm OR 6-7pm

Thursday September 11, 2017

Dear Parents,

The children have been investigating the properties of various materials, and learning how some of them are made. They have now planned projects which they hope to complete next week. To celebrate all this learning, we would like to invite you to our:

**“Marvellous
Materials” Celebration
Event**

There will be no talks or demonstrations, just a gallery of the children’s artwork and projects from this unit.

This will happen at two different time slots on Thursday, the last week of term.

Date: Thursday September 21

Time: 3.15 - 4pm (*Straight after school*) OR 6 - 7pm (*For working parents*)

Place: *In the Foundation classrooms.*

We look forward to seeing you there!

Reading Eggs and Math Seeds Reminder:

As you may already know, we have added Mathseeds to your child’s Reading Eggs account. So this is a fun way for your child to get some practice during the holidays. You can log into both using the same password.

The login is as follows:

Your child’s name in lowercase followed by ‘mecs’ (no spaces).

The password for everyone is ‘cat’

For Example:
Username: janmecs
Password: cat

A reminder also that there are lots of books in the Library when you go into Eggs Express.

We will take this opportunity also, to wish every family a safe and happy holiday.

Yours Faithfully,

Jan Ormrod and Steph Cummings
Foundation Teachers
