

Speech Pathology Services at MECS

Thursday September 7, 2017

Dear Parents,

We want to advise you that we are changing our speech pathology service provider. Speaking of Learning have provided this service to us for the past 4 ½ years. We are grateful for the expertise and professionalism they have brought to the school.

Speaking of Learning will finish at the end of Term 3, 2017.

We have made the following arrangements for speech pathology at MECS for Term 4 and 2018:

- In Term 4, there will be a limited number of sessions as the contracted speech pathologist is only available for one day. These sessions will be offered to parents according to the priorities identified by Shirley Gillie and Jo Miller, the Education Support Coordinators.
- In 2018, the speech pathology service will become more widely available to parents, as it has been in the past.
- MECS will continue to subsidise speech therapy sessions.

Speaking of Learning will be available for private (not subsidised by MECS) sessions at MECS. If you are planning on using their services, you should organise this directly with Speaking of Learning. Below are the contact details for Louise Rowland, the director.

Speaking of Learning

3/1 Rooks Rd, Mitcham VIC 3132.
