

Thursday August 10, 2017

Dear Bilbies Parents,

I just wanted to let you know what is happening regarding the time I have been away from school, in case you have any concerns.

I have been absent due to bronchitis and the nasty flu bug which has been prevalent this year. Unfortunately, I will also need to take another couple of days off at the end of this week to support my daughter who is having knee surgery.

The children have been very calm and relaxed, despite the tiredness from all their efforts in the production and some children fighting illness as well. They have been beautifully behaved, considerate and resilient. We are proud of them!

We wanted to reassure you that our Foundation planning is always done in advance so that the daily program and resources are ready for relief teachers to allow learning to continue smoothly. Rachel Harrison will be teaching the Bilbies on Thursday, and Seona Churchward will be working with Mrs Steph Cummings and Mrs Di Emery to finish off the week.

To lessen any further disruption, we have planned that our Foundation teacher visits to the Kindergarten at MECS take place only in the last week of term, and will only impact for a day and a half.

I look forward to seeing everyone next week.

Yours faithfully,

Jan

Jan Ormrod
Foundation Teacher
