

YEAR 9 RANGES TEC EXCURSION
Wednesday August 23

Thursday August 17, 2017

Dear Parents,

Next week **Wednesday 23 August**, our Year 9 students will be visiting our Ranges TEC Campus for the day.

The purpose of this excursion is to provide a hands-on learning experience for the Year 9s and to introduce them to the Ranges TEC campus as a possible future pathway.

During the day students will experience a taste of the following possible areas of future study:

- Engineering
- Furniture Making
- Building and Construction
- Hospitality

Students are required to bring their **own morning tea and water bottle**. Ranges TEC will be providing a Sausage Sizzle lunch.

We will be travelling by bus to our Lilydale Campus and return for normal school dismissal time of 3.30pm.

We look forward to an enjoyable day together.

Regards
