Dear Year 12 Students and parents,

I will be holding a VTAC (Victorian Tertiary Admissions Centre) Information session on Thursday 10th August at lunch time (12:45pm – 1:30pm) in Room 10. This session will cover how to apply for tertiary courses (university and TAFE), how the VTAC process works and information about applying for special consideration via SEAS (Special Entry Access Scheme). All Year 12 students must attend this session even those not planning to go on to further education next year (it will be helpful if you want to study in the future).

Kind regards,

Mrs Koole
