The Active After-school Communities (AASC) program is a major component of the Australian Government’s package Building a Healthy, Active Australia that aims to improve the health and well-being of Australian children.

Mount Evelyn Christian School is once again participating in the AASC program in Term 1, 2014.

In Term 1 activities to be offered for Primary children are:

Monday 3:45 pm – 4:45 pm: AFL (fun games and ball skills)
Thursday 3:45 pm – 4:45 pm: NETBALL (discover skills in a fun way)

The program will run for 7 weeks beginning Monday 10 February, 2014 for Primary children (Prep to Year 6) only.

Children attending will be offered fruit for afternoon tea prior to the activities commencing. Please ensure your child brings a refillable water bottle to each session.

The program will offer fun, safe and inclusive activities which will provide children with the opportunity to develop their motor skills. It also promotes a healthy lifestyle in a comfortable, non-competitive environment.

If you would like your child to participate in this program, please complete a Parental Consent form (available from the office) and return this to the office by: Friday 7 February, 2013.

This is a Free Program - Places are limited.
