21 February 2014

Physics Unit 3 Luna Park Excursion

Why
Luna Park provides an excellent opportunity for students to analyse the motion of a number of fairground rides and hence apply their understanding of Physics in motion to real life. This will be the basis for their first School Assessed Coursework (SAC).

Where and When
Tuesday 4 March 2014
Luna Park, St Kilda

What to bring
- Hat & Sunscreen
- Lunch
- Water bottle
- Pen & paper

Contact
As this is the first SAC for Physics unit 3, it is essential that all students attend. If there are any problems, please contact Mr Scott via MECS on 9738 6000.
