Free sport and healthy snacks after school

The Active After-school Communities (AASC) program is an Australian Government initiative providing primary school children with a fun, free and safe introduction to a selection of over 70 sports and 20 other structured physical activities in the after-school timeslot.

Parents/guardians are invited to enrol their child/ren in the activities on offer (see below). As well as participating in these activities for free, all children will receive a free healthy afternoon tea, coaching from a qualified coach (with current Working with Children Check), access to sports equipment and a supervisor.

These sessions will provide children with a positive and fun introduction to sport and other structured physical activities to motivate them to be active for life.

All programs are delivered by AASC registered community coaches.

Sports and activities on offer this term

Mount Evelyn Christian School is pleased to offer the following AASC activities in Term 2 starting on 29 April 2013.
