Dear Parents,

The Middle Primary School Swimming Program will be conducted in May and June this year following the same format as last year.

All students in Middle Primary will be attending weekly swimming lessons at Kilsyth Centenary Indoor Pool. The program will run over Seven weeks and students will attend a lesson each Wednesday during Sport time. The duration of each lesson will be 40 minutes and students will be grouped according to ability, with the maximum group size being 10 students.

The lesson dates are:

- Wednesday 1 May
- Wednesday 8 May
- Wednesday 22 May
- Wednesday 29 May
- Wednesday 5 June
- Wednesday 12 June
- Wednesday 19 June

Please note that there will not be a lesson on Wednesday 15 May due to NAPLAN testing happening that week.

This program is a compulsory component of the Sport and Physical Education curriculum and it serves as a wonderful way to develop swimming skills and improve technique. As in the past staff members will accompany the students to and from the pool in a supervisory role. There are qualified swimming instructors employed to conduct the lessons.

Please make sure your child has appropriate swim wear, (no bikinis without a rash vest), a towel and a plastic bag for wet items. As it will be heading into the cooler part of the year please make sure you child has appropriated towelling and dry clothes to change into after the lesson. Parents are welcome to observe the lessons but will need to provide their own transport to the venue.

If there are any queries please don’t hesitate to contact the school.

Yours in Christ

Derek Warren
Primary School Physical Education and Sports Co-ordinator
