18 November 2013

Dear Parents

Re: Open Village Information Night

Next year your child will be participating in our innovative Year 9 program, Open Village. We will be having an orientation program for the students at school but wanted to give you the opportunity to find out more. Please note the details below for the upcoming information evening. We will be discussing more about the design of the program and what we are aiming to achieve.

**WHEN:** Thursday 28 November
**WHERE:** Open Village Centre
**TIME:** 7.30pm – 9pm

We will also be able to discuss the Year 10 readiness certificate that all students need to gain before progressing to Senior School or Ranges TEC.

**Students are not expected to attend** this information evening, as we will be conducting a range of orientation activities for them on Tuesday 10 December during the school day.

In His service

*Sue de Pyle, Jonny Wouters & Tim Wright*
